

The ROSE AWARD

What is it? A DISTRICT LEVEL award to honor

Recognition

Of

Service

Excellence

Who is eligible to receive it?

The nominee is someone who has gone above and beyond for their club or their district.

What is the process?

Each club president nominates one member from their club and presents their name and a few words about WHY they deserve the ROSE award and forwards **to their District Director**.

The District Director will choose the recipient and that person will receive a rose pin, a certificate and LOTS of acknowledgment at the district meeting, from the sitting State President. One rose award will be given for each District at the spring district meetings and at the fall district meetings, annually.
